Inspection of Work** Upon the completion of any Improvement for which approved Plans or Specifications are required under this Declaration the Owner shall give written notice of completion to the Committee. Within such reasonable time as the Committee may set in its rules, but not to exceed fifteen (15) days thereafter, the Committee or its duly authorized representative may inspect such Improvement. If the Committee finds that such work was not done in strict compliance with all approved Plans and Specifications submitted or required to be submitted for its prior approval, it shall notify the Owner in writing of such noncompliance within such period, specifying in reasonable detail the particulars of noncompliance and shall require the Owner to remedy the same. If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such noncompliance, the Committee shall notify the Board in writing of such failure. Upon notice and hearing the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board's ruling. If the Owner does not comply with the Board's ruling within such period, the Board, at its option, may either remove the noncomplying Improvement or remedy the noncompliance, and the Owner shall reimburse the Association upon demand for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy an assessment against such Owner and the Improvement in question and the land on which the same is situated for reimbursement and the same shall constitute a lien upon such land and Improvement and be enforced as in this Declaration provided. The Committee may inspect all work in progress and give notice of noncompliance as provided above. If the Owner denies that such noncompliance exists, the procedures set out above shall be followed, except that no further work shall be done, pending resolution of the dispute, which would hamper correction of the noncompliance if the Board shall find that such noncompliance exists.

**Section 7. Non-Liability of Committee Members.** Neither the Committee nor any member thereof nor the Board nor any member thereof shall be liable to the Association or to any Owner or to any other person for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's or the Board's respective duties under this Declaration unless due to the willful misconduct or bad faith of the Committee or its member or the Board or its member as the case may be. Except insofar as its duties may be extended with respect to a particular area by the Association, the Committee shall review and approve or disapprove all Plans and Specifications submitted to it for any proposed Improvement, including the construction, alteration or addition thereof or thereto, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the surrounding area and Forbes Park generally. The Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, exterior finishes and materials and similar features, but shall not be responsible for reviewing nor shall its approval of any Plans and Specifications be deemed approval thereof from the standpoint of structural safety, engineering soundness or conformance with building or other codes.

**Section 8. Variances.** The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration, including restrictions upon height, bulk, size, shape, floor area, land area, placement of structures, setbacks, colors, materials or similar restrictions when circumstances such as topography, natural obstructions, hardship or aesthetic or environmental consideration may, in its sole and absolute discretion, warrant. Such variances must be evidenced in writing and must be signed by at least a majority of all of the members of the Committee. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provision and in the particular instance covered by the variance.

**Section 9. Obligations with Respect to Zoning and Subdivisions.** The Committee shall require all persons to comply fully with the zoning ordinances and subdivision regulations, if any, of Costilla County, Colorado, insofar as the same are applicable and as they may hereafter be amended.

**Section 10. Committee Control of Contractors; Committee Power to Grant Temporary Ingress and Egress.** The Committee shall have the power to approve or disapprove any Contractor to be used for any of the purposes approved in Section 2 above, provided, however, that the Committee shall only disapprove a Contractor for a reasonable cause stated in writing. The Committee shall approve or disapprove a Contractor in writing within seven (7) days of the time the Committee is informed of the contractor's identity.

The Committee shall have the power to grant temporary licenses permitting ingress and egress over specified roads in Forbes Park to a Contractor and shall only grant such licenses to a Contractor for a specific period of time. The Committee may withdraw such licenses at any time such Contractor (a) uses unspecified roads, (b) does not diligently pursue the work to be done, or (c) violates any of the Protective Covenants hereinafter set forth.

**Section 11. Committee Control of Camping.** The Committee shall have the power to grant camping privileges on a Lot to an Owner or Dependent for nonconsecutive periods of time of up to three (3) weeks in length, provided the Owner or Dependent applies to the Committee either in writing or in person and satisfies the Committee that the Lot to be so used will not be left littered with trash or waste and that such camping will not create a fire hazard to such Lot or to Forbes Park as a whole.

**Section 12. Other Committee Powers.** The Committee shall have the power to approve, control, permit, license and regulate such other activities and matters as the Board may from time to time determine.

**ARTICLE VIII**  
**PROTECTIVE COVENANTS**

The following restrictions, conditions and covenants, collectively called "Protective Covenants", are imposed upon all the Lots, Condominium Units where applicable, and Common Areas without limiting or altering the provisions of Article VII:

(a) Any tank for the storage of gas or liquid shall be hidden from the view of other Lots and the Common Area.

(b) No kennel or other facility for raising or boarding dogs or other animals for commercial purposes shall be kept in Forbes Park. No animals of any kind shall be raised, bred or kept in Forbes Park except reasonable numbers of dogs, cats or other ordinary household pets. No poultry may be kept in Forbes Park. No dog shall be allowed to run loose except when accompanied by a person capable of keeping such dog under surveillance and control.

(c) All refuse, rubbish, trash, garbage or waste shall be kept, disposed of or removed in a sanitary manner. All household refuse and rubbish, trash, garbage or waste shall be kept in closed containers inside a building or other approved enclosure until taken to a disposal place operated or licensed by the proper public authority for such disposal. Nonhousehold refuse, rubbish, trash, garbage or waste, other than dead leaves and fallen limbs shall not be permitted to remain exposed on a Lot.

(d) Any vehicle, whether selfpropelled or not permitted to remain on any Lot or Common Area shall be kept in a licensed and operable condition. Any vehicle, whether selfpropelled or not shall be parked in such a manner that it is not a nuisance, aesthetically or otherwise, to other Members. A truck larger than three-quarter (3/4) ton rating shall only be kept on a Lot inside an approved building except during any period of authorized construction. A vehicle shall not be parked on that part of any road normally used by vehicles being driven on such road. The provisions of this paragraph shall not apply to Declarant during time of construction of roads.

(e) Noxious, obnoxious, noisy, unsightly or otherwise offensive objects or activities, specifically including vehicle repairs, barking dogs and littering shall not be permitted nor shall anything be permitted that may be an unreasonable annoyance or nuisance to other Owners.

(Q) A professional quality sign of not more than four (4) square feet in area shall be allowed to be displayed on a Lot for any purpose and one (1) additional sign of not more than four (4) square feet in area shall be allowed to be displayed for advertising such Lot or improvement thereon for sale, lease or rent.

(g) A structure of a temporary or mobile nature, motorhome, mobile home, camper truck, travel trailer, camping trailer, other vehicle used or designed for camping, or tent shall not be placed on a Lot for more than three (3) consecutive nights and days more than once each calendar month except that the Committee may grant a permit (1) for any of the above to be placed on a Lot and used for longer periods of time during construction of a dwelling, diligently pursued, or, (2) for vacation camping under the conditions and procedures provided in Article VII hereof. Subject to the prior written approval of Declarant with respect to the real property described in Exhibit C, the Board may designate a part of the Common Area as a storage area for all vehicles that are prohibited from being placed on a Lot.

(h) All septic systems operated with water from wells drilled under permits obtained pursuant to the Decree of the District Court in and for Water Division No.3, State of Colorado, Case No. W-3312, shall be limited to sewage disposed of by septic tank and absorption fields, the effluent of which shall return to groundwater in the drainage basins in which such wells are located. Said absorption fields and septic tank installations shall be constructed in conformance with the standards and requirements of state and county health authorities. Notwithstanding the foregoing requirements, the Committee may approve an evaporative field septic system if the construction of a septic tank and absorption field would cause a hardship in any particular situation and if the Committee is permitted to do so under a modification of the Decree in Case No. W-3312.

(O) Any outdoor fire shall be made in a facility or a receptacle having a properly operating spark screen. All fireplaces whether inside a building or outdoors shall have an operational approved spark screen covering the top of the chimney. Any condition which creates a fire hazard shall not be permitted on a Lot.

(j) No single-family residence or Condominium Unit, exclusive of open porches, garages and carports, shall be less than six hundred (600) square feet in main floor area. No more than one (1) single-family residence plus appropriate ancillary buildings may be erected on a Lot not designated a Commercial Lot. No commune, cooperative or similar type living arrangement shall be permitted anywhere in Forbes Park.

(k) All water derived from wells permitted by the State Engineer of the State of Colorado pursuant to the provisions of the Decree of the District Court in and for Water Division No.3, State of Colorado, in Case No. W-3312, shall be used for domestic in-house use only.

(O) No commercial enterprise shall be operated other than on a Commercial Lot.

(m) Building materials shall not be placed on a Lot nor shall foundation work be started for any Improvement unless such Improvement has previously been approved by the Committee. Once approval is obtained, such Improvement must be completed within twelve (12) months after building materials are first placed on such Lot or foundation work is begun.

(n) A wire fence shall not be permitted on a Lot except one such fence enclosing not more than 1600 square feet for the purpose of enclosing household pets.

(O) Hunting shall not be permitted.

(p) Firearms, explosives, fireworks or arrows shall not be used, shot or discharged except in such areas as may be designated by the Association for such use, shooting or discharging.

(q) Explosives shall not be used for construction purposes unless such use has been approved by the Committee.

- (r) Excessively noisy vehicles of any kind, all-terrain vehicles, trail-bikes, helicopters, aircraft or motorcycles shall not be used anywhere in Forbes Park.
- (s) Chain saws shall not be used without a proper spark arrester on the exhaust and chain saws or other noisy equipment shall not be operated before 8:00 A.M. or after 5:00 P.M.
- (q) All telephone, electrical power, and other receiving or transmission lines shall be placed underground except that such lines on poles shall be permitted (1) in the case of major lines to areas of Forbes Park as Declarant deems appropriate and (2) where the Committee determines underground lines are unreasonably expensive or otherwise impractical.
- (u) Existing tree lines on all lots and Commercial lots shall not be disturbed or altered and, wherever practicable, all improvements shall be placed a reasonable distance behind such tree lines as determined by the Committee.
- (v) Any tree having a diameter at the base greater than four (4) inches shall not be cut down without prior approval of the Committee.

- (z) All improvements shall be maintained in such a manner that they do not become (1) unsightly, (2) in disrepair, (3) unsanitary or (4) a fire hazard.
- (aa) No guest house, garage, carport or other outbuilding shall be constructed on any lot until after commencement of construction of the dwelling house on the same lot
